

McKINNEY & CO

BRITISH CURTAIN POLES & FINIALS

## McKINNEY & CO

Founded in London 1991 by Shona McKinney, McKinney & Co have long been established as one of the UK's leading and most trusted designers of window furniture. Gracing the world's finest homes and prestigious buildings including Buckingham Palace and 10 Downing Street, our clientele include Royalty and A-list celebrities.

All products in the bespoke McKinney & Co range are made to order in the UK by local craftspeople using traditional methods, therefore many of the designs can be adapted to clients' specific requirements and special commissions are welcomed.

Alongside finials and specialist brackets McKinney & Co offer in depth advice on all types of curtain poles including complex curved and angled bay windows. Made to measure pelmets and custom finished coronas are also a speciality.

Featured products:  
F40 - Twister Ball  
Polished Nickel Curtain Finial  
P17 - Polished Nickel  
Polished Nickel Curtain Pole 38mm Diameter

## FINIALS

We have been producing the widest range of beautifully made bespoke & customised curtain pole finials in Great Britain for over 25 years.

Our aim is to provide our customers a springboard for your own creativity. With hundreds of finial styles, shapes & sizes to choose from, every finial is custom finished to your specifications, allowing you the opportunity to create a truly individual finial, if you can't find a piece that suits your purpose, we are more than happy to create one for you.
